M O S S | H O M E
MADE IN THE USA

TEXTILES COLLECTION
WINTER 2021

Brand Story

Our inspiration is derived from a variety of global influences and cultures, but production happens right here in the United States, as we rely on a talented American workforce. Moss Home is more than an American made company. It is family owned and operated, rooted in Armenia, that embodies the American dream.

The brand continues to evolve under direction of Creative Director Naz Moushegyan.
